### DGH Methods Requirement: one of the below is required

- G H 532: Responsible Conduct of International Research | 3 | X |
- G H 531: Research Methods in Developing Countries | 4 | X |

### DGH Management Course

- G H 522: Global Program Management and Leadership | 3 | X |

### Electives

A minimum of 3 credits are required; see DGH Graduate Course listing on website. If thesis is primarily qualitative HSERV 590A (Autumn Quarter) or GH 538 (Spring Quarter) are required. Other qualitative courses accepted with prior approval.

## Degree Requirements (see also the Graduate School’s Master’s Degree Policies)

- The MPH degree requires 63 total credits.
- At least 18 credits must be in courses numbered 500 and above.
- 18 of which must be numerically-graded, UW graduate course credits (500 and above).
- A course grade of 2.7 and above is considered passing, a course grade below 2.7 does not count toward the 63 credits.
- No more than 6 graduate level quarter credits can be transferred from other academic institutions.
- No more than 12 UW Graduate Non-matriculated credits can be applied.
- No more than 12 credits derived from any combination of UW Graduate Non-matriculated credits and transfer credits can be applied.
- If a student repeats a non-repeatable class, only one set of credits counts toward the credit total.
- A minimum cumulative GPA of 3.0 is required to graduate.
- All degree requirements must be met within six years.
- Students must maintain registration through the end of the quarter in which the degree is conferred or, if eligible, pay the Graduate Registration Waiver Fee within 14 days following the last day of the quarter in which all degree requirements were met.
