

# HAVE YOU EXPERIENCED sexual assault, sexual harassment, relationship or intimate partner violence, or stalking?

Here is information for UW students and employees who have experienced sexual misconduct in the US or abroad.

On UW campus? Start here: **SafeCampus**

A starting point to help understand your rights and resources. Provides free 24/7 support by phone. Call anonymously to receive help in assessing safety concerns, connect with confidential advocates, and learn about rights and resources.

**206-685-SAFE (7233) | SafeCampus@uw.edu**

Currently abroad? Start here:

## UW 24/7 Global Emergency Support

A starting place to help understand your rights and navigate resources - in your current location and back in the U.S. Calls will reach the UW Police Department and they will connect you to a trained UW staff member ready to help assess safety concerns and connect you with medical, mental health, and other resources, including UW confidential advocates. **For time-sensitive or emergency assistance: 1 (206) 632-0153**

**For resources and consultation:**  
**travelemergency@uw.edu**

## MEDICAL RESOURCES

For treating injuries, for STI and pregnancy screening, and for a Sexual Assault Nurse Exam (SANE) to preserve evidence. **If you need immediate medical attention within the US, call 911** and/or visit your local emergency room. If visiting a hospital emergency room outside the US for sexual assaults, request a SANE or rape kit if possible.
