

THE LANCET

Global Action on Mental Health

OCTOBER 19, 2-6 PM

KANE HALL 225, UW SEATTLE

A new Lancet Commission on Global Mental Health and Sustainable Development discusses how countries can take action to address mental health equity and justice.

What does this mean for Seattle, for the region, and for our global action?

Join us for a lively conversation led by thought leaders from around the world about the intersections of mental health and key global priorities, and how Seattle can get involved.
